RE: Freedom of Information Action Request F-2010-06815 (Department of State)

Dear Mr. Wampler:

This letter is in response to your October 25, 2010 Freedom of Information Act request to the U.S. Department of State, in which you asked for various documents from 1991-1996, related to climate change. The State Department uncovered six responsive documents originating at the U.S. Environmental Protection Agency (EPA) and referred them to EPA for a direct response. EPA is releasing these six documents in full.

You may appeal this response to the National Freedom of Information Officer, U.S. EPA, FOIA and Privacy Branch, 1200 Pennsylvania Avenue, N.W. (2822T), Washington DC 20460 (U.S. Postal Service Only), FAX: (202) 566-2147, E-mail: [hq.foia@epa.gov](mailto:hq.foia@epa.gov). Only items mailed through the United States Postal Service may be delivered to 1200 Pennsylvania Avenue, NW. If you are submitting your appeal via hand delivery, courier service or overnight delivery, you must address your correspondence to 1301 Constitution Avenue, N.W. Room 6416J, Washington DC 20001. Your appeal must be made in writing, and it must be submitted no later than 30 calendar days from the date of this letter. The Agency will not consider appeals received after the 30 day limit. The appeal should include the RIN listed in the subject line above. For quickest possible handling, the appeal letter and its envelope should be marked "Freedom of Information Act Appeal."

Sincerely,

A handwritten signature in black ink, appearing to read "Paul Gunning", is written over a large, stylized, looping flourish that extends to the right.

Paul Gunning  
Climate Change Division
